

CLARISHIELD™

OIL-BASED
CONCRETE SEALER

CLARISHIELD™ OIL-BASED CONCRETE SEALER

IMAGINE THE POSSIBILITIES OF CONCRETE.

H&C® CLARISHIELD™ OIL-BASED CONCRETE SEALER is an exterior waterproofing sealer that adds gloss and durability to both vertical and horizontal brick, stone, masonry and mortar- or epoxy-set natural stone. It can also be used as a sealer on flagstone, brick or other cementitious materials. It is suitable for use on traffic-bearing surfaces. It is designed for use over bare concrete or previously stained concrete. The non-yellowing clear surface protects against UV rays, water seepage and common chemicals.

FEATURES & BENEFITS:

- Seals and protects cement surfaces
- Provides a durable, glossy finish that extends the life of concrete and masonry surfaces
- Resists water, pool chemicals, UV rays, salt, alkalis, oil, gasoline and hot tire marks
- Low film build to maintain architectural details

RECOMMENDED USES:

- Driveways
- Patios & walkways
- Pool decks
- Garage floors
- Parking garages
- Concrete retaining walls
- Flagstone walls/walkways
- Masonry/brick walls
- Cement block
