DECO-FLAKES

# SHIELD-CRETE™ DECO-FLAKES

## IMAGINE THE POSSIBILITIES OF CONCRETE.

Provide a unique decorative finish with H&C® SHIELD-CRETE™ Deco-Flakes. Simply broadcast the flakes by tossing them high into the air onto the wet surface. They also help hide imperfections. Use different chip blends for a distinct mix-and-match look! And remember that garage floors are just the beginning. The epoxy coating and flakes can be used on any interior concrete floor, like basement floors, and some outdoor surfaces as well.

### FEATURES & BENEFITS:

- Three chip blends
- Provides a unique decorative finish
- Can be mixed and matched with other blends
- Helps hide imperfections
- Easy application — simply broadcast the flakes by tossing them high into the air

### RECOMMENDED USES:

- Laundry room floors
- Garage floors
- Storage areas
- Covered patios and landings
- Retaining walls
- Warehouse floors
- Commercial floors
