## IMAGINE THE POSSIBILITIES OF CONCRETE.

H&C® ULTRAPAVER™ Water-Based Paver Sealers protect pavers from weed growth. Both Gloss and Natural protect and prolong the natural beauty only pavers can bring to an outdoor living area. H&C® ULTRAPAVER™ Water-Based Paver Sealers apply milky white and dry clear to ensure complete coverage, and are extremely easy to apply. They provide excellent weather resistance, while protecting your investment against water damage. One gallon covers 100-150 square feet, depending on porosity. H&C® ULTRAPAVER™ Water-Based Paver Sealers are solvent-free and VOC compliant.
